In compliance with the decision of His Excellency the President of the Arab Republic of Egypt regarding the precautionary suspension of schools and universities in Egypt for a period of two weeks starting Sunday, March 15, 2020, and in order to operate within the framework of the comprehensive plan to deal with any possible repercussions of COVID-19:

We inform you that all the educational institutions owned and managed by the company have activated the distance education protocol for all of their students, and we expect full activation and operation of that protocol within 72 hours.

Note that the distance education protocol, will ensure that curriculum study materials are fully accessible to the students and that there is minimal disruption to the learning process.

**Kind Regards**
