Forward-Looking Statements

Certain statements in this Announcement are not historical facts and are forward-looking statements. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the Company's control and all of which are based on the Company's current beliefs and expectations in relation to future events. The forward-looking statements are typically identified by the use of forward-looking terminology, such as "believes", "expects", "may", "will", "could", "would", "should", "intends", "targets", "aims", "projects", "estimates", "plans", "assumes", "potentially" or "anticipates" or the negative thereof or other variations thereon or comparable terminology, or by discussions of strategy that involve risks and uncertainties. In addition, from time to time, representatives of the Company have made or may make forward-looking statements orally or in writing.

Furthermore, such forward-looking statements may be included in, but are not limited to, press releases or oral statements made by, or with the approval of, an authorized executive officer of the Company. Forward-looking statements include statements concerning the Company's plans, objectives, goals, strategies, future events, future revenues or performance, capital expenditures, financing needs, plans or intentions relating to acquisitions, competitive strengths and weaknesses, business strategy and the trends anticipated in the industries and the political and legal environment in which the Company operates and other information that is not historical information. These forward-looking statements and other statements contained in this Announcement are regarding matters that are not historical facts and involve predictions. No assurance can be given that such future results will be achieved; actual events or results may differ materially as a result of risks and uncertainties facing the Company. Such risks and uncertainties could cause actual results to vary materially from the future results indicated, expressed or implied in such forward-looking statements.

Prospective investors should be aware that a number of important factors could cause actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements. The Company does not undertake any obligation to update, revise, or state publicly any change in forward-looking statements, whether as a result of new information, future events, or otherwise.

The image shows a blue ink signature written over a blue rectangular stamp. The stamp contains the letters 'MTI' in a large, bold font at the top, followed by smaller text in Arabic script. The signature is a cursive script that extends across the width of the stamp and slightly beyond its left and right edges.
