

EGID is an affiliate company to the Egyptian Exchange (EGX), EGID has provided a software program called E-magles which is the first E-Voting system in Egypt for General assemblies and board meetings under the supervision and authorization of FRA & GAFI. E-magles ensured the continuity of holding the assemblies and board meetings with the limitation of gatherings to avoid the spread of COVID-19 and supporting the government efforts in this regard.

Number of Assemblies & Meetings Held through E-magles

EGX Listed Companies that Used E-magles

Voting Percentage (Electronic - Physical - Over the phone)
